MigrationWiz is a fully-automated and 100% SaaS migration solution

MigrationWiz® User Migration Bundle moves mailboxes, documents, personal archives, and configures Outlook fast. Migrate all your data from nearly any Source to any Destination—no special training, personnel, additional hardware or software installation needed! We have been the go-to solution for 10+ years across 155 countries.

Healthcare migrations are growing. We had 5,000+ employees that needed to be migrated from Office 365 to Office 365. MigrationWiz was the cloud solution chosen for our migration and the end-customer experience was fantastic. It's now our migration tool of choice for fast, secure, and HIPAA compliant migration.
